

Petition to the Board of Supervisors County of San Bernardino:

Petitioner Mark Averbeck is a citizen of San Bernardino County who resides in the City of Redlands. Mark Averbeck and the following citizens, request the Board of Supervisors to dismiss Appointed Sheriff Rod Hoops from his position. According to Sheriff Hoops, an internal criminal investigation began in September 2009. The case was handled Administratively rather than being sent to the District Attorneys Office as of April 8, 2010. The Grounds for Sheriff Rod Hoops dismissal, is his utter failure to eliminate and disclose the corruption in the San Bernardino Sheriff's Department.

- Unearned money was taken from tax payers and allowed to be paid back without a criminal complaint being filed.
- Involved principals were demoted rather than being arrested.
- A Captain was allowed to honorably retire rather than being arrested.
- Avoiding a Grand Jury Investigation to get to the truth/magnitude of the corruption.
