SUBJECT ATC DEPARTMENT LEADERSHIP

Effective July 19, 2010, Betsy Starbuck will no longer be with the department. In this regard, I know that we all wish her the best in her future endeavors and know that you will each continue to perform your duties in the same outstanding manner as you have been.

As we look over every aspect of the department's operations, your chain of command will keep you informed as to any changes that may affect you personally. The duties of administering the operations of the department will continue to be handled by myself and the Assistants.

I appreciate your efforts to make this transition as smooth as possible.
